Refer to: 19780303 -- Will County  
Lemont/Land and Lakes  
Supplemental Permit No. 1983-142-SP

October 4, 1983

Land and Lakes Company  
123 North Northwest Highway  
Park Ridge, Illinois 60068

Attn: Mr. James Cowhey

Dear Mr. Cowhey:

Supplemental permit is hereby granted to Land and Lakes Company to modify the development of the above referenced site by modifying the ground water monitoring program. These modifications shall be in accordance with the application dated August 1 and received on August 3, 1983, and other information dated August 16 and September 16, 1983, and received August 18 and September 23, 1983. They shall also be in accordance with the following Special Conditions:

1. Special Condition No. 10 of the operating permit No. 1976-17-OP (dated December 13, 1982) shall be modified as follows:

"An additional ground water monitoring well shall be installed at grid points 600S-45W as indicated on Sheet 1 of Plan Sheet 1750. The well shall have a minimum diameter of 2", and shall be installed with a screening interval intersecting the upper ten (10) feet of the bedrock. The annular space shall be sealed as described in the attached revised Water Monitoring Program. It shall be installed so that it can be sampled and the Analyses submitted by January 15, 1984. The boring log shall be submitted to the Compliance Section following installation."
